

## ***White Eagle Resort Boat & Pontoon Rentals***

White Eagle offers the best of Vermilion boat and pontoon rentals. What makes a White Eagle rental great? We purchase high quality models with your comfort and convenience in mind. All have the White Eagle standard amenities for fishing and each pontoon and sport boat has a watersports system. All are thoroughly cleaned and prepped according to White Eagle's standard of excellence. Boat rentals are available to on and off-site guests on a daily and weekly basis, 4-hour rental options are also available for onsite guests.

At White Eagle, tubes, waterskies, fishing poles and landing nets are included and available to sign out on a daily basis.

Are you new to boat operating? The resort offers complimentary tutorials at the beginning of each rental period.

### ***Pontoons***

White Eagle pontoon rentals are designed by a family-owned Minnesota company with Minnesota lakes in mind. Each was purchased brand new within the last 2 years. Each has a powerful, easy to use 4-stroke motor, deluxe GPS/fish finder, comfortable seating, Bimini sun top and a squeaky-clean interior. Your group will love the options for Lake Vermilion fishing and watersports, and these are the best boat rental option for families with younger children.

Each is equipped with a Lowrance Elite 5 GPS/fish finder, Bimini sun top, live well (excluding the SunSation), 2 anchors, USB/Aux Port, running lights, watersports towing system, rear entry ladder and PFDs.

## ***Family Watersports Pontoon***

### ***23 foot Tritoon Premier SunSation 230RF – 150 HP Yamaha Motor***

Brand new for 2017, this is the best pontoon you can rent on Lake Vermillion. With the powerful 150hp motor, front and back “U” seating and Premier’s latest PTX Hull Technology, you will get the feel of a high powered boat with the space and stability of a triple tube pontoon. Your group will have a blast hanging out while cruising the lake and pulling tubers and skiers from the newly designed mounted towing system.

What about fishing? This boat has the pontoon fishing amenities, two captain’s chairs in the middle and a casting platform off the back.

\$1300/Week | \$325/8 Hours | \$200/4 Hours\*

## ***Family Pontoon***

### ***18 foot Pontoon Weeres Paradise -60 HP Yamaha Motor***

Just 2 years old, this is a much-loved boat for small fishing groups and families with children. Are you a new boat driver looking for an entry-level boat? New operators and those happy without a lot of frills love the ease and simplicity of this model. This boat has a swim ladder and a removable tow harness that works great for towing pre-teen children. If you have adults who want to ski or tube, we recommend one of the other pontoons or the fish and sport boats.

Max. Capacity 8

\$1000/Week | \$250/8 Hours | \$150/4 Hours\*

## ***Fishing and Adventure Sport Boats***

All White Eagle rental boats come equipped with a trolling motor, fish finder, live well, running lights, anchor, PFDs and a boat cushion. The Fish and Adventure Sport Boats and Deluxe Fishing Boats have each been upgraded to a Lowrance Elite 5 GPS/fish finder and Lund Pro Guide seats. Are you looking for multiples of the same boat to accommodate your group? We have 3 of each of the following models available unless noted.

### ***Fish & Adventure Sport Boat Rentals***

#### ***17 foot Lund Boats – 115 HP Yamaha Motor***

This boat is the perfect all-weather rental option if you want to fish and explore both the East and West ends of Vermilion and be on the water in windy and rainy conditions. With the full windshield and optional canopy you will be comfortable in the cooler temperatures of spring and fall. For 2017 we upgraded the seats to the ultra comfortable Lund Pro Guide seats. Canopies, butt seats and landing nets are available by request. For watersports, each boat has a swim ladder and removable tow harness.
